## WATER USERS HEAR OFFICIALS EXPLAIN PLANS FOR RELIEF

MESA, Jan. 18.—In response to the call for a water users' meeting Monday night in the city hall, a crowd of farmers and business men that taxed the hall to its capacity turned out to hear F. A. Reid, president of the Water Users, Superintendent Cragan and others speak. Representatives of both sides of the water question were heard and while no plan for immediate relief was settled upon, a clearer understanding between water users and officials of the association resulted which it is believed will be of great benefit.

The business as conducted by the Water Users association was explained by President Reid and Superintendent Cragan and many points on which the farmers have been in doubt and have not understood in the past have been made clear. In response to the proposal that a suspension of payments be made, it was explained that the officials of the association are limited in their authority by the constitution.

regarding the suspension of operations and that they have no alternative from requiring assessments to be paid up before water is issued.

A list of 20 farmers who are without means to pay their water assessments and will be unable to start another crop unless some relief is secured was made and the individual case of each one will be taken up with certain banks and an effort made there to secure sufficient loans to carry them through.

Baby in Lesueur Family  
Mr. and Mrs. Karl Lesueur are the parents of a nine pound baby boy born to them at their home on South Hibernia street Tuesday morning.

Aid Society Will Meet  
The Ladies' Aid society of the Methodist Episcopal church will hold an all day meeting at the church on Thursday. All ladies of the church and congregation are invited to be present.

There will be work for all. Each lady is requested to take with her one article of cooked food for lunch.

No Parking Near Fire Plug  
Two foot spaces on each side of the fire plugs marked off Tuesday on all of the fire plugs in Mesa, with the added inscription in bold red ink letters, "Don't Park Here." The ruling is in accordance with the city ordinance prohibiting the parking of cars or other vehicles within ten feet of a fire plug.

Parking spaces in the streets which are customarily repainted about the first of each year, will be delayed a few weeks pending the installation of the ornamental lighting standards.
